

REMARKS**Status of the Claims**

Claims 1-35 are pending in the application and have been made subject to a restriction requirement entered by the Examiner. Specifically, the claims are restricted as follows:

Group I - Claims 1-7, said by the Examiner to be drawn to a burner, classified in class 431, subclass 354; and

Group II - Claims 8-35, said by the Examiner to be drawn to a stove, classified in class 126, subclass 39R.

Applicant respectfully traverses the restriction requirement. The subject matter of claims 1-35 could reasonably be examined together and the restriction requirement should be withdrawn.

Applicant appreciates the Examiner's reminder that this reply, in order to complete must include an election of the invention to be examined even though the restriction requirement is traversed. Accordingly, Applicants hereby elect, with traverse, the subject matter of claims 8-35 to be examined in this application.
